Re: Temporary Denial of Business License Application for  
World Products, 1701 Pennsylvania Ave.

Dear Mr. Sesko:

Thank you for applying for a Bremerton Business License for your location at 1701 Pennsylvania Ave. Before your application can be approved by the City Clerk's Office several code requirements must be met. Please refer to the attached report.

You are encouraged to work directly with Janet Lunceford of Community Development. She is the city official who has put a hold on license issuance. The Tax & License Division will not issue your business license until licensing requirements have been met and Community Development has approved your application. If you need assistance or more information please call Ms. Lunceford at 478-5275.

Sincerely,

Paula Johnston  
Deputy City Clerk
